

Advanced Academic Leadership

Recommended Resources

Silvie Klein-Franke 2.2022

This multidisciplinary list of classical and current resources encompasses broad and relevant studies and knowledge that can make a substantial difference for you as a leader – it will be refined ongoing, so please indicate great readings to us.

During your 5-year *PRIMA Leadership Learning Journey* you will meet the topics in kick-off, coaching, capacity workshop and reflection topics of your programme. Please try to read a few books/papers of your choice each year. Share the respective content and your insights for your future leadership with your peers in the reflection meetings. Let us know if you think studies too controversial, outdated or some really important perspective is missing.
